

## FES PTA Direct Donation Drive

The Fulton Elementary PTA Board would like to thank those families that contributed monetary donations to the PTA Direct Donation drive. To date, we have received donations **totaling \$6,390** from our FES families.

In the spirit of holiday giving, we are asking for families to contribute to our Direct Donation Drive before the calendar year ends. Did you know that **100% of your donation goes directly to the school** and is **100% tax-deductible**? We are a 501(c)(3) organization and can provide you with a receipt.

The Fulton Elementary PTA relies on donations to help support events for your students and their teachers. While many of our families generously donate food and supplies throughout the year, giving to our Direct Donation Drive allows us to provide support for the students and teachers at FES.

Over the last three years, the FES PTA spent \$53,000 to support the students and teachers at FES including:

- iPad minis
- STEM technology
- gym equipment
- ukuleles
- PBIS incentives
- Books
- Microscopes
- subscriptions to BrainPop, StoryWorks, and DreamBox Learning Math, and more!

Donations also support the Teachers Reimbursement Program and numerous staff appreciation activities. With your donation, we can continue to support an exceptional instructional program! **Our goal is to raise \$35,000.**

Please consider giving as any amount is appreciated. You can donate [online](#) or send [a paper form](#) to school with your child along with your donation made payable to Fulton Elementary School PTA. We also accept company matching. Please contact [directdonations@fespta.org](mailto:directdonations@fespta.org) with any questions.

The FES PTA cannot be successful without your support. Thank you for considering a Direct Donation to our school.

Wishing all our FES families a Safe, Wonderful, and Joyful Holiday Season!
